# DECORATION? YOU'VE GOT OPTIONS

Take a great style and make it your own with one of our six unique decoration methods. Whether you want to keep it simple or are looking for something bolder, we'll help you create the right look with a method and imprint location that work for your brand.

## DEBOSS

Deboss creates a subtle tone-on-tone look with a dye that's heat-pressed into the material.

- Ideal for waterproof fabrics
- Striking 3D appearance
- Apply to almost any location
- Unlimited washability

## TRUE EDGE™ TRANSFER

This cutting edge heat transfer process produces remarkable clarity and precision.

- Allows for extreme detail like small text
- Four-colour process or spot colour
- Perfect for logos with many colours
- Alternative to embroidery for thin garments
- Maintains integrity of waterproof fabrics

## SCREENPRINT

Time tested decoration method that enables vibrant and durable graphics on virtually any material.

- Economic choice for large multi coloured decoration
- Great choice for a distressed look and feel
- Ideal technique for T-shirts

## Introducing high definition decoration

### HXD

A unique decoration method that gives an added dimension to your logo, by making it stand out subtly on the apparel surface.

- Unique decoration method
- Add dimension to a logo
- Perceived value of Embroidery combined with colour range and detail of True Edge Transfer
- Durable
- Available for a wide range of garments
- Max print area: 100 x 75 mm

### EMBROIDERY

With thread colours to match any logo, embroidery is always a popular choice.

- Classic look
- Up to 12 colours per embroidery
- Perfect for left/right chest and left/right bicep

### LASER ENGRAVING

Laser can be applied at virtually any location.

- Smooth, glossy finish
- Unlimited washability
- Best on mid-range colours

### INFUSION™

Infuses your logo into the fabric creating an untouchable decoration with razor sharp detail.

- Razor sharp with higher resolution
- Offers a comfortable, breathable decoration
- Untouchable
- Offers unlimited colours for one set up

## COMPLIANCE IS JUST THE START

Protecting your organisation's reputation and looking after your people means always being vigilant about the purchases you make. The items offered in this catalogue are compliant with relevant European law.

Our supplier company strongly believes in good corporate citizenship through product compliance and a sustainable supply chain. They operate a voluntary programme to meet social, legal, ethical and economic responsibilities and are committed to driving real change towards sustainable development.

This means that when you purchase products from us, you can do so with the reassurance they have been produced in line with a Code of Conduct based on the UN Global Compact principles regarding human rights, labour, environment and anti-corruption, which includes a strict zero-tolerance policy towards child-labour and forced labour.

## SERIOUS ABOUT SUSTAINABILITY

Our supplier is highly conscious of how their operations impact the environment and is committed to sustainable practices. The decoration facility where your items get personalised is certified to ISO 14001, showing that ecological concerns are taken very seriously in the overall production process.

Tangible results in sustainable printing have already been realised here. Investments and implementations in 2016 reduced ink waste by 40% and drastically cut down on the amount of chemicals used for cleaning. All of which goes a long way to ensuring your promotional products and apparel enhance your reputation without destroying the world around us.

# ICON INDEX

WEBTECH™

Moisture management is achieved at the Yarn stage, where the microfine yarns create a capillary action to channel sweat away.
