Preview 2020

The days are getting shorter and the festive season is advancing rapidly. During the end-of-year period all focus is on gifts, but 2020 is approaching fast, and the new year beckons! Our new Enjoy Guide for 2020 has just been handed over to the printer and we would like to share a sneak preview of what we have in store for you in the new year.

With this 600-page inspirational guide, you can offer your customers every possible promotional product. From right on target giveaways to luxurious corporate gifts. From designed for branding promotional apparel to sustainable drinkware. Next to the products in our Green Concept offering we will be introducing two sustainable brands: Parkland for bags and Elevate NXT for apparel. Together with our Americano® Recycled and H2O bottle, produced in Europe, these brands will offer some great opportunities for your customers who are looking to take sustainability one step further.

We are looking forward to 2020!

Enjoy!

ELEVATE NXT

Elevate NXT is the next step in promotional apparel. With the garments of Elevate NXT we follow the supply chain to the source. Made of recycled polyester or organic cotton, our Jade t-shirt and Beryl polo are truly sustainable.

And of course, they have all the qualities you have come to expect from an Elevate garment. Designed for branding and super comfortable to wear. Available in 5 popular promotional colours and our special Elevate NXT blue, this really is the next step in promotional apparel.
